MEMBERS

WHY BECOME A MEMBER?

Increase your value to employers with post-nominal letters (MNucl)

Membership of the Nuclear Institute provides recognition for ongoing commitment to professionalism within the nuclear industry with post-nominal letters 'MNucl'. This is widely recognised across the Nuclear sector, and it's highly sought after by employers for candidates – a great way to build your career.

Professional Registration

An important milestone for any engineer or scientist, professional registration establishes proven knowledge, understanding and competence. The Nuclear Institute is licensed to register professionals by Engineering Council, the Science Council and the Society for the Environment.

Opportunities for unique volunteering experience

Write for the journal, sit on a committee, or support STEM activities – these are just some of the volunteer experiences you can have with the Nuclear Institute. Not only will you learn more about an area of the industry, but it looks great on the CV, too.

Keeping up with an evolving industry through specialised events

You're always learning in a career in nuclear as the industry continues to evolve and change with new discoveries – that's what makes it such an interesting industry to work in. Develop your skills and knowledge base through the industry-specific regional and national events the Nuclear Institute offers throughout the year.

Support and networking opportunities

Make contacts throughout the country with like-minded individuals working in nuclear through groups, events, and functions. You'll develop friendships with experienced, innovative nuclear professionals on the front line of science and technology who will be able to help you develop your career in nuclear.

Key benefits:

- Acknowledgement of professionalism and ongoing contribution to the nuclear sector with industry-recognised post-nominals (MNUcl).
- Gain professional registration with the Engineering Council, Science Council or Society for the Environment
- Bi-monthly Nuclear Future journal
- Build contacts across the nuclear industry
- Contribute to government consultations
- Discount on Nuclear Institute events
- Training and CPD resources
- Nuclear specific lectures, webinars, technical tours and conferences
- Access to NI Connect, our member-only platform for discussion and conversation
- Networking and professional support through our communities, including:
 - Young Generation Network
 - Regional Branches
 - Special Interest Groups

Membership grades for each step of your career

There are four grades of membership for the Nuclear Institute – Fellow, Member, Associate, and Affiliate.

These grades provide support at the various levels of your nuclear career through tailored events, networking opportunities, and professional recognition.

For more information, please visit nuclearinst.com/membership.

Apply online

To apply, go to our website nuclearinst.com/membership/member and complete the online form.

You can pay the annual fee through our secure online payment system – the fees are listed on the website.

FURTHER ADVICE

If you have any questions or enquiries, please don't hesitate to contact the NI Membership Team:
