

**Nuclear Institute**  
Central England

# **ANNUAL DINNER**

## **2023**

# **SPONSORSHIP**

# **OPPORTUNITIES**

14 September 2023  
Oxford

The Nuclear Institute's Central England Branch Annual Dinner is our most popular event of the branch calendar and high on the Nuclear Industry calendar.

This event regularly attracts around 200 attendees from numerous companies across the region and further afield, providing an excellent evening for all - this year with a guest speaker, fantastic entertainment, 3 course meal and much more!

The Annual Dinner provides an opportunity for people and companies from across the nuclear industry with a particular focus on the Central England region to come together and enjoy this special evening.

Supporting this event also helps the branch to continue to undertake charitable and educational activities throughout the year including public education events and STEM outreach activities across our region including at Harwell, AWE, Culham and MoD sites.

We look forward to welcoming you on the 14th September.
