

12th International Conference on the Transport,  
Storage and Disposal of Radioactive Materials

# RAMTrans 2024

## Sponsorship Opportunities

15-17 May 2024

The Pullman Hotel, London

A TRIENNIAL INTERNATIONAL CONFERENCE

# Sponsorship Opportunities

Sponsorship is invited for the 12th international conference on the Transport, Storage and Disposal of Radioactive Materials from manufacturers, operators, suppliers and organisations that would benefit from having an enhanced profile through their involvement with this conference.

This event will raise awareness and profile products and/or services to a defined audience of specialists involved in the implementation and development of supply chain opportunities and/or policy-making.

## Sponsors Overview

There are several key sponsorship opportunities both in support of the event as a whole and also in relation to individual elements of the event and social programme. The earlier an organisation commits to sponsorship, the sooner they can experience the promotional benefits.

Sponsorship packages will be offered on a 'first come, first served' basis. Exhibition booth positions will be allocated according to level of sponsorship.
