30th ANNUAL DINNER

SPONSORSHIP OPPORTUNITIES

Aerospace Bristol

21st March 2024

30th ANNUAL DINNER SPONSORSHIP OPPORTUNITIES

The Nuclear Institute Western branch is holding its 30th Annual Dinner on 21st March 2024, at Aerospace Bristol. The Western branch Annual Dinner is our most popular event of the branch calendar and high on the Nuclear Industry calendar. In 2023, the NI Western Annual Dinner hosted ~400 attendees from numerous companies across the region and further afield, providing an excellent evening for all – this year with Guests speakers, fantastic entertainment, 3 course meal and much more!

The Annual Dinner provides an opportunity for people and companies from across the nuclear industry with a particular focus on the South West region to come together and enjoy this special evening. Supporting this event helps the branch to continue to undertake educational and industry events throughout the year such as the annual speaking competition. Our 2023 dinner was our biggest yet, we look forward to welcoming you to our next dinner in 2024!
