

# Digital Conference 2025

14-15 October, Culham

## Sponsorship Opportunities

## Conference overview

Building on the sell-out success of the 2024 Digital Conference and with renewed focus and investment on the industry, it's the perfect time for this annual 2-day conference to shine the spotlight on digital innovation and practices across fusion and design and build of SMRs.

The 2025 Digital Conference will provide an opportunity for professionals to congregate, learn, network and share views on the issues, opportunities and challenges affecting the application and implementation of digital advances in the nuclear sector.

## Why Sponsor?

Align your organisation with this conference designed by the Digital Special Interest Group, which has built a reputation for sharing knowledge and connecting new collaborators in the digital space.

In addition, your sponsorship indirectly facilitates the charitable activities carried out by the Nuclear Institute, supporting high standard of nuclear professionalism and the maintenance of an expert community in the nuclear industry.

# Sponsorship Structure

Sponsorship packages will be offered on a 'first come, first served' basis.  
All packages are subject to VAT @ 20%.
