

# UK NUCLEAR HUMAN PERFORMANCE FORUM

## Terms of Reference

- Identify and promote best-practice in Human Performance across Operators and their Supply Chain;
- Identify trends and weaknesses in HuP approaches and seek solutions collaboratively;
- To support Operator/Supply chain interfaces;
- To develop products and materials that are recognised industry wide;
- Provide link into Regulators, Licensees, Supply Chain, Human Performance/Human Factors Specialists and other relevant SDF subgroups as appropriate;
- Provide support to member organisations by deploying the Human Performance leads within the group;
- Identify KPIs and measurements for the success of Human Performance programmes;
- To communicate our output with all key stakeholders;
- To provide a means of demonstrating Continued Professional Development.

## Meeting Membership

- |                         |                                      |
|-------------------------|--------------------------------------|
| • Cavendish Nuclear     | Paul Unsworth (Chairman)             |
| • Magnox                | Amanda Carter (Secretary), Katie Nye |
| • NNB, EDFE             | Paul Newman (Sponsor,) Bob Duarte    |
| • Sellafield Ltd        | Andrew George, Alastair Melvin       |
| • EDF Generation        | Liz Auty                             |
| • EDF Coal              | Lesley Cox                           |
| • NNL                   | Sarah Peck                           |
| • Urenco                | Stuart Dinsdale                      |
| • Babcock International | Naomi Slade, John Crowl              |
| • LLWR                  | Mike Pattinson                       |
| • MOD Submarine         | Carole Tosh                          |
| • GE Healthcare         | John Flanagan                        |
| • Horizon               | Mark Salisbury, Ewan Povell          |
| • Rolls Royce Marine    | Gary Taylor/Leanne Walker            |
| • AWE                   | TBD                                  |
| • DRSL                  | Ian Innes, Raymond Hill              |
| • Nugen                 | Tony Pinder                          |
| • Doosan Babcock        | Reg Rudd, (Deputy Chairman)          |
| • INS                   | Mark Robinson, Mark Boughton         |
| • Westinghouse          | Neil Farley                          |
| • Lonza                 | Kevin Tinson                         |

## Associate members

- |                           |                |
|---------------------------|----------------|
| • Cogent                  | Martin McManus |
| • National Skills Academy | Charlie Bray   |
| • ONR                     | Peter Ackroyd  |
| • NDA                     | Claire Renney  |
| • Nuclear Institute       | Mark Lyons     |

GE Healthcare

National Nuclear Laboratory

Rolls-Royce

Urenco

Cogent skills  
for science industries
