

SDF Supply Chain Quality Working Group

Strategy Sub-Group - Industry-Wide Minimum Standards / Expectations

Plan on a Page: Minimum Standards / Expectations

Lead: Mary-Jane Statham

Date: 10/02/2025

Vision:

Clarity on minimum industry-wide standards and expectations, and a suite of clear guidance documents to support this.

Problem / Improvement Statement:

It is hard for suppliers to understand minimum standards / expectations. This impacts not only existing supplier compliance but also creates a reputation of "nuclear is difficult" and thus risks putting off new suppliers to the industry.
